

# Remember the good times

**Verse 1:** I feel so alone, nowhere to turn  
Where do I belong, where do I belong?  
Too scared to breathe, too scared to smile  
No hope around for miles and miles.

**Chorus:** Remember the good times when you're feeling blue,  
Remember the good times they'll see you through, they'll see you through

**Verse 2:** You're stronger than you know, no need to feel alone,  
You'll find somewhere to turn and somewhere to belong  
Now you can breathe now you can smile  
There's hope around for miles and miles.

**Chorus:** Remember the good times .....

**Rap:** When I wake up in the morning, I don't know what to do  
Just thinking about the bullies waitin..for me at school ,  
Nobody left to talk to, I have so many fears,  
But know I've found a way to dry up all my tears,  
Gather up my courage to see where I belong,  
No tears anymore, I sing my happy song, I sing my happy song

**Welsh Rap:** Pan dwi'n codi yn y bore, acherdded draw I'r ysgol  
Mae meddwl am y bwllis, yn gwneud l'nghalon guro.  
Rhaid dechrau bod yn fryf, a choria'r dyddiau da  
Dim myw o ddagraw, canf fy nghan I chi, canf fy nghan I chi.

**Welsh Chorus:** Cofio'f duddoai da, pan yn teimlo'n drist.  
Cofio'r dyddiau sy'n codi'r galon  
Remember the good times when you're feeling blue,  
Remember the good times they'll see you through,  
Remember the good times when you're feeling blue,  
Remember the good times they'll see you through,  
Remember the good times when you're feeling blue,  
Remember the good times they'll see you through, they'll see you through.....
